

- 1 More detail you gave us, the better job we can do for you, and faster we can complete your design, to save your valuable time.
- 2 Your information on top is very important to us, especially your eMail address, this is how we can reach you, if we have questions.
- 3 Your address and phone number are for Delivery and for us to check the most economic and fastest way to give you price offer
- 4 If you find our form just too complicate, you may try to use our Simple Job Sheet format, but detail information still needed.
- 5 No obligation to send us Job Sheet or design inquire, we will reply you with price quotation, you make decision going forward or not.
- 6 If you have more questions about how to fill out our Job Sheet or how to get start with your design, please contact us at <a href="mailto:services@i-jersy.com">services@i-jersy.com</a>
