

## ACH Recurring Payment Authorization Form

Schedule your payment to be automatically deducted from your checking or savings account. Just complete and sign this form to get started!

### Recurring Payments Will Make Your Life Easier:

- It's convenient (saving you time and postage)
- Your payment is always on time (even if you're out of town)

### Here's How Recurring Payments Work:

You authorize regularly scheduled charges to your checking or savings account. You will be charged the amount owed per your statement each billing period. A receipt for each payment if requested will be emailed to you and the charge will appear on your bank statement as "ipn/payment network." You agree that no prior-notification will be provided unless the date or amount changes, in which case you will receive notice from us at least 10 days prior to the payment being collected.
