<b>Name</b>	<b>Director / Officer</b>
John W. Bush	Director, Chairman, CEO, President
Denton Guthrie	Director, CFO
Robert Christiansen	Director, COO, Divisional CFO
Christian Morrison	Director, CIO
Damian A. Caldwell	Director, Divisional President/CEO

**Mr. JOHN W. BUSH:** Director and Officer. Mr. Bush is a senior executive with over 40 years dealing in the financial global marketplaces such as Russia, United Kingdom, South America to most of the Asia markets. As Chairman and CEO of Jupiter Financial Group he has worked directly with Heads of State worldwide in coordinating debt restructure to negotiation oil and other mineral concessions. Jupiter Financial Group has established a strong group of partners that provide unlimited access to the Chinese markets and other counties worldwide. Mr. Bush is also the founder of America Standing Together established after 911. Today the micro economic business model is accepted worldwide under the World Standing Together program.

In his early years, Mr. Bush has contributed significantly to the substantial global impact in the competitive industry of telecommunications. Mr. Bush started his career in the telecommunication industry in 1982 during the earlier days of deregulation. Mr. Bush was directly in the mobile industry since the first sites test begun in Washington DC and Chicago. Now with over twenty-five years of experience in the industry and worldwide experience Mr. Bush is a proven senior executive in the industry.

Mr. Bush currently also serves as Chairman and Chief Executive Officer of Infinite Networks Corporation, a Wyoming Company since 1998 and Qenex Communications, Inc. since 2005. Both public company and has been directly caught up in the array of problems and issues of the US equity public market. As the Chief Executive Officer, he has taken extreme actions to ensure the company would survive during this industry shake up and maintain a strong shareholder base. Mr. Bush's determination as the senior

executive during these tough market times has proven his leadership and tenacity to succeed even under adverse conditions.

Prior to Infinite Networks Corporation, Mr. Bush served as Vice President of Sales and Marketing for WinStar Communications, a public company. Mr. Bush played a key role in the overall development of Winstar during the earlier days of development in the 38GHz market. Mr. Bush also took the lead executive role in an acquisition of a reseller in Texas where the company was reorganized to support to overall goals of the Winstar.

Mr. Bush also served as a senior executive of MCI Communications in various key positions from 1986 to 1990 with special responsibility for the company's Midwest consumer marketing group. Mr. Bush first position in MCI was Director of Consumer Sales in the Midwest division. Mr. Bush was responsible for this 500-person center with an annual revenue stream exceeding \$500 million dollars.

In 1987, Mr. Bush accepted the position as Director of Sales for Strategic and Governmental Accounts. This was a newly formed group that specifically targeted large corporate accounts. In 18 months, this new division grew a revenue stream from \$12 million to over \$85 million. Mr. Bush also directed the Government Services and Technical Services Groups for the Midwest division. Mr. Bush last position was over the major account sales in five states and had 15 branches with a revenue stream over \$800 million. In this position Mr. Bush presented to the Board of Directors and received the approval to deploy the first laptops and sales tracking software for MCI. In 1989, Mr. Bush attended the executive class at MCI for superior executives.

Mr. Bush's personal development in the telecommunications industry started in 1982, when he co-founded Schneider Communications, then functioned as Director and General Manager until 1986. Before that he had served as Operations Manager for Schneider Transport — the largest intermediate special route carrier in the United States.

Mr. Bush has experience in private banking and held the position of Managing Director for Karamouzi's Bank /Trust Ltd. since 2007 and on the Board of Directors.

Earlier in his life, Mr. Bush served his country for ten years in the U.S. Marine Corps and held various positions worldwide, including Vietnam in 1969 and later, more prominently, as Maintenance Chief throughout the product development period of the HARRIER, AV8A at NATC in Pax River, Maryland, USA, from 1972 to 1976. Mr. Bush also served as transportation officer in the U.S. Army Reserves, where he held two commands and received the two Army Commendation Medals, bringing his total number of years in military service to twenty-four, during which time he achieved the grade level of Staff Sergeant in the Marine Corps. Mr. Bush was commissioned in the United States Army in 1980 later retired at the rank of Major in 1995 from the United States Army Reserves and now retired.

Mr. Bush received his Master of Business Sciences Degree from Cardinal Stritch University, Milwaukee, Wisconsin and a Bachelor of Business Administration Degree from the University of Wisconsin.

**DENTON GUTHRIE:** Director and Officer. Mr. Guthrie has been the CFO of Infinite since 1998. Mr. Guthrie has over 34 years of experience in business administration, accounting, investing, management advisory services and taxation, both domestically and internationally. His experiences include positions as Co-Founder and CFO, President, Chairman of the Board, and Director of various corporations and joint ventures.

Mr. Guthrie served as Executive Vice President, CFO and Director of American Ventures International and HGK Ltd. He gained more than six years of experience in the Southeast Asia marketplace with special focus in Vietnam in medical and educational humanitarian projects. He served as President of Spectrum Glass & Ceramics, Inc. for more than 10 years. Mr. Guthrie has operated as owner of a CPA firm for more than 20 years.

Mr. Guthrie holds a BS degree in Business Administration and Accounting from California State University at Los Angeles. He is a CPA certified through the California State Board of Accountancy.

**Robert Christiansen – Director, Officer and Divisional CFO**

In his capacity as COO of Qenex and CFO Triple 7, Mr. Christiansen will be responsible for setting up the infrastructure and controls that will enable Triple 7 Commodities, Inc. to operate with a rolling five year strategic vision, manage the business financially in accordance with key process indicators, and execute according to a management derived tactical plan.

A former Senior Vice President, Citicorp Services, Inc., Global Payments Products Division, Mr. Christiansen was responsible for two global operations centers and over 1,200 employees. This organization managed issuance, tracking and reconciliation of over one billion documents in all currencies: travelers checks, money orders, official checks, and official items worldwide, representing more than \$151 billion annually.

Prior to that, Mr. Christiansen was a Director at American Express Co., Travel Related Services, Inc. In this position he managed a \$65 million budget with areas of responsibility ranging from inventory control to data records management, sales and paid items reconciliation, escheatment's, and fraud control for the worldwide travelers cheques business.

Mr. Christiansen also has successful entrepreneurial experience. After leaving Citicorp, he successfully launched a start-up, Financial Information Technologies, Inc. ("FIN\Tech"). FIN\Tech markets electronic funds transfer (EFT) and flexible electronic data interchange (flex-EDI) based services to the corporate, public and private sectors and government, nationwide. The company is involved in a number of markets, ranging from insurance and payroll to radio and TV stations and the food and beverage industry. During Mr. Christiansen's tenure, the company processed over \$70 million dollars a month in payments for over 500 clients, representing in excess of 100,000 transactions, and over 20,000 retail delivery locations.

After earning a Bachelor of Arts degree in Ancient and Medieval History from the University of North Carolina, Robert started his career managing billing and control systems for insurance companies in Pennsylvania. He also holds the degree of Fellow of the Life Management Institute (FLMI) with special emphasis on company operations.

Robert is a former member of the Board of Directors of First National Bank of Tampa

**Mr. Christian B. Morrison**, Director and CIO as of November 1, 2007. Mr. Morrison has been involved with Qenex for over four years and established the first operating broad band system on the Rosebud Sioux Nation using Qenex technology. Mr. Morrison has experience as the technology officer and program manager for the Rosebud Tribe for over the last five years.

His experience and understanding in the day to day operations is invaluable to Qenex as they develop the long-term working relationship with other Native American Tribes. Mr. Morrison is A+ Certified in Microsoft Office as a Certified Trainer with over 600 hours of training in network, hardware configuration and software integration.

Also served 3 years as CEO for the rosebud economic development corporation (redco) which develops and manages all business endeavors and government contracts (8a) for the rosebud sioux tribe. Mr. Morrison hold a BS from Sinte Gleska University.

**Damian A. Caldwell – President and Chief Executive Officer** Mr. Caldwell is the President and CEO of Triple 7 Commodities Inc. This firm has its origins from its founder's commitment as acting as conduits in the energy industry. Damian brings more than 17 years of sales experience of which the last 10 has been spent marketing fuels. He has spent years working with companies like Land Ends Development and Southeast Fuels marketing coal, natural gas., and diesel fuels. He has a true understanding of financial markets serving in the banking industry as a Financial Specialist for Wachovia Bank before transitioning into commercial construction. During his professional career he has become involved in the heavy highway industry. He has spent numerous hours on planning sitework, in commercial projects such as industrial

complexes and working with municipalities in the State of Virginia.

Damian began his career in logistics working for FedEx for 5 years. It was there where he truly learned a great deal of the speed and needs of business. Variety of areas including employee relations, benefits, and compensation. In 2008 she joined the Volvo Group of North America.
