

GATHERINGTABLE

Parental Consent Form

Parental Permission for: _____

Dear Parent,

The Gathering Table volunteer opportunities allow youth in need of community service hours for school, organization, or court appointed reasons to complete said hours. We provide a safe, flexible environment for youth to complete their required community service hours. Youth can complete their hours at their own pace and at a time they decide within the operating hours of the Gathering Table.

Allowing a student to volunteer at our ministry is always done with the consent and knowledge of the parent/guardian of said student. Youth must be 15 years of age or older to volunteer without a parent or guardian.

I _____ as the legal parent/guardian of _____, give my express permission for my student to volunteer at the Gathering Table.
