

PRO-TOUCH I, II, MW, AF

PRO-TOUCH Traffic Film Remover

Pro-Touch is a premium quality all purpose power wash detergent for brushless cleaning. It is specially formulated for exceptional rinsing characteristics for faster cleaning yet the same cleaning power. Ideal for the professional user. Removes road film, exhaust deposits and bug residue from painted surfaces including wood, metal, aluminum and swimming pools. Effective on grease and oil. Does not leave a white film when dried. Displaces water to leave a shine.

A CCS ENVIRO-SAFE PRODUCT

- * Safe To Use
- * Non Flammable
- * Biodegradable
- * Free Rinsing
- * Dust Inhibiting
- * Phosphate Free
- * Economical
- * Brushless
- * Leaves a Shine

Use on tough jobs like cars, buses, vans, trucks, painted woods & metals, aluminum siding and swimming pools. Removes road film. Has high foam level for those who like to brush.

Apply from bottom up, then wash from bottom up. Finally rinse from top down. Can be diluted up to 50 to 1.

Pro-Touch MW for the mobile wash industry with very high dilution ratios. Pro-Touch I for heavy duty general purpose washing.

Pro-Touch II for polished aluminum general purpose washing.
