

## On-line Zoom sessions for month commencing 1<sup>st</sup> September 2020

Session	Date	Time	Description
<b>I'M STILL GARDENING DISCUSSION GROUP</b>	Tuesday, 1 <sup>st</sup> September 2020	10am - 11am	This is a weekly catch-up over coffee or tea, to discuss all different types of garden ideas, successes and failures for both indoor and outdoor plants. This session will be focussing on food and tonics for plants - what works for what.
<b>MEET MY PET</b>	Saturday, 5 <sup>th</sup> September 2020	10am - 11am	Thinking it would be fun for people with pets to get together and talk and show off their pets. I think there will be lots of ooohhhing and aaahhhing.
<b>I'M STILL GARDENING DISCUSSION GROUP</b>	Tuesday, 8 <sup>th</sup> September 2020	10am - 11am	This is a weekly catch-up over coffee or tea, to discuss all different types of garden ideas, successes and failures for both indoor and outdoor plants. This session will be focussing on food and tonics for plants - what works for what.
<b>HOW TO ZOOM</b>	Wednesday, 9 <sup>th</sup> September 2020	7pm - 8pm	Come and learn how to use Zoom successfully. Once you've done this session you not only will be able to come and join in the fun with I'm Still Learning but start up your own Zoom sessions with family and friends.
<b>HOW TO HANG A PICTURE</b>	Thursday, 10 <sup>th</sup> September 2020	7pm - 8pm	Learn how to hang a picture onto different surfaces using the different products available.
<b>TOOL TRIVIA GAME</b>	Friday, 11 <sup>th</sup> September 2020	7pm - 8pm	Come along for some fun. We are going to play a game of 'Name that Tool - Tool Trivia'. Everyone will be presented with the same set of tools and it is your job to name as many as you can, without cheating. The grand prize will be the honour of winning the first ever Name that Tool game.
<b>I'M STILL GARDENING DISCUSSION GROUP</b>	Tuesday, 15 <sup>th</sup> September 2020	10am - 11am	This is a weekly catch-up over coffee or tea, to discuss all different types of garden ideas, successes and failures for both indoor and outdoor plants. This session will be focussing on food and tonics for plants - what works for what.
<b>GARDEN AND GENERAL TOOL MAINTENANCE</b>	Thursday, 17 <sup>th</sup> September 2020	10am - 11am	Learn how to sharpen and maintain your garden and general tools such as secateurs, shovels, chisels and much more.

## On-line Zoom sessions for month commencing 1<sup>st</sup> September 2020

Session	Date	Time	Description
<b>PAINT, ROLLERS AND BRUSHES</b>	Friday, 18 <sup>th</sup> September 2020	7pm - 8pm	Come learn about the different types of paint, rollers and brushes and what's best for what.
<b>COOKING WITH PETE</b>	Monday, 21 <sup>st</sup> September 2020	6pm - 7.30pm	You will have the opportunity to create the same magic along with Pete in the comfort of your own kitchen. He will take you along step by step and then at the end we can all enjoy (virtually) a nice meal. Meal to be decided and ingredients list distributed.
<b>I'M STILL GARDENING DISCUSSION GROUP</b>	Tuesday, 22 <sup>nd</sup> September 2020	10am - 11am	This is a weekly catch-up over coffee or tea, to discuss all different types of garden ideas, successes and failures for both indoor and outdoor plants. This session will be focussing on food and tonics for plants - what works for what.
<b>CHECKING YOUR CAR'S FLUIDS</b>	Saturday, 26 <sup>th</sup> September 2020	10am - 11am	Learn how to check you car's fluids such as the oil, wiper fluid, transmission oil amongst others.
<b>I'M STILL GARDENING DISCUSSION GROUP</b>	Tuesday, 29 <sup>th</sup> September 2020	10am - 11am	This is a weekly catch-up over coffee or tea, to discuss all different types of garden ideas, successes and failures for both indoor and outdoor plants. This session will be focussing on food and tonics for plants - what works for what.
<b>WOOD, NAILS AND SCREWS</b>	Wednesday, 30 <sup>th</sup> September 2020	7pm - 8pm	Learn about the different types of wood, how to identify them, and what each wood is best used for. Which screws or nails to use in each, and have you ever wondered what all the numbers on the screw and nail packets mean? Also the age old question what's best the nail or the screw?
