

UPVC WINDOWS AND DOORS

PM WINDOWS 4 YOU specialises in the window area. We take pride in our high quality UPVC windows that not only look great but also are very affordable. **Double glazed UPVC windows** offer unlimited options for shape, colour, design and way of opening. It looks great either in modern and old, classic buildings.

Every window has a built-in **security innovation** which helps to prevent accidents as we like to put the client safety at first. The windows comply with British and European standard. They also come with a wide variety of accessories, locking mechanisms and are available in many colours.

Those windows receive a great feedback on weather performance that **British standards** require.
