WORK EXPERIENCE

2010 - Present

Project Manager | Instructional Designer

Hays Consolidated Independent School District | San Marcos, Hays County, Texas

- Researched, Developed, and Implemented Innovative and Student-Centered Curriculum for Pre-K thru 5th grade.
- Orchestrated the delivery of 56 unique and interactive content segments a week to over 11,000 users by collaborating with colleagues, developing online curriculum, and eLearning Instruction.
- Provided feedback, and clear expectations for a remote based 14-member team and facilitated team meetings, remote and in person
- Provided training sessions focused on how to create engaging digital content, increase student engagement, leverage responsive design to be learner friendly all while using various (often free) tools for graphic and video design
- Planned and Coordinated over 12 major Events annual with 500+ attendees
- Analyzed data to assess progress towards meeting user demands
- Facilitated team meetings, remote and in person
- Executed training activities in a logical sequence
- Created master lessons and coursework for Hays CISD's LMS.
- Provided professional development for El Paso, Round Rock, Hutto, and Del Valle ISDs
- Project Manager for Fine Arts teachers in implementing the new LMS.

LMS Administrator

Hays Consolidated Independent School District | San Marcos, Hays County, Texas

- Created master lessons and coursework for Hays CISD's LMS.
- Provided Technical Support for Fine Art Educators in navigating the LMS in the form of webinars, phone calls and uploading video tutorials.
- Analyzed user data to inform curriculum design decisions and professional development for content creators.
