Introduction

Welcome to Grace Education Ministries. Starting a new job is exciting, but at times can be overwhelming. We understand this, so we have developed this handbook to answer many of your initial questions and explain personnel policies and benefits. Changes to this handbook will be made when necessary and revisions will be available to all employees. Grace Education Ministries expects every employee to comply with the rules and policies discussed in this handbook as well as others adopted by Grace United Methodist Church.

Mission Statement

Our objective is to provide safe, loving care that will enable young children to feel secure and comfortable while away from parents and home. It is also to provide developmentally appropriate activities within a Christian environment.

Organization

We are a non-profit service to the community and a ministry of Grace United Methodist Church (GUMC). Grace Education Ministries (GEM) is governed by the Day School Advisory Board (DSAB), which is composed of the Director, parent representatives, bookkeepers, and church members. GEM is licensed by the State of Indiana and complies with all State and County regulations and requirements. The Director is responsible to DSAB for managing the entire program, hiring new employees, reviewing performance appraisals of staff, recommending annual wage increases, and authorizing disciplinary actions of employees.

Equal Opportunity

GEM is committed to be an equal opportunity employer. We do not discriminate in hiring or in any terms and conditions of employment based on race, color, creed, religion, national origin, gender, disability, age, marital status, veterans' status regarding public assistance or any other characteristic protected by law. We offer an open-door policy. All parents, guardians and staff should feel free to come in and discuss ideas, concerns, and address any issues. The communication between family, staff and administration make for a positive atmosphere for all.

Anti-Harassment

GEM is committed to providing a workplace free of harassment of any employee because of the employee's race, sex, religion, age, national origin, disability, citizenship status or any other category protected under federal, state, or local law. We are committed to protect employees from such harassment, whether from employees or non-employees.

Hiring Procedure

All employees hired for part-time or full-time employment must complete a minimum 90-day probationary period. If the director determines that an employee has not met our performance expectations at the end of the initial 90 days, his/her employment will be terminated at that time, unless it seems that an extension of the probationary period is appropriate. At the successful completion of the probationary period, we will notify the employee of the change to employment status. Because all employees in the State of Indiana are employees at-will, employment still may be terminated either by the employee or GEM for any reason, or no reason at all, at any time before or after completion of the probationary period. GEM pays for all pre-employment fees which equal \$170.00. If an employee resigns or is terminated within the 90-day probationary period, he or she will be charged \$85.00 for a partial reimbursement of employment fees. The charge will come out of the employee's last paycheck.

The following are required as conditions of hiring:

- TB test (annually thereafter)
- Criminal History check through Indiana State Police
- Drug test
- Physical
- FBI Fingerprinting (every 3 years thereafter)
- 20 hours of Continuing Education annually
- First Aid & CPR annually
- Universal Precautions annually
- 30-hour Health & Safety trainings
- All applicants must be 18 years of age with a High School Diploma. Positions and salary are offered based on education and experience.

At Will Employment

This handbook is not an expressed or implied contract of employment and does not guarantee employment for any term. There is no contract of employment between GEM and any of its employees. Any employee may resign employment at any time. Similarly, Grace may terminate the employment relationship with or without cause.

Drug, Alcohol, Smoke Free Facility

We expect all employees to report to work free of the use and effects of alcohol and illegal drugs. Employees are not to sell, distribute, dispense, possess, use, or conspire to sell, distribute, dispense, possess, or use an illegal drug or alcohol on GUMC's property, in church-owned vehicles, or during business hours. Likewise, we expect all employees not to misuse or

abuse any prescription or nonprescription medications. We look to our employees to support this policy and expect them to cooperate in our efforts to enforce this policy and in any investigation of its violation. GUMC has a "smoke free" policy. Smoking is not permitted within any of the church's buildings, on church property, or in a church-owned vehicle at any time.

Drug Testing Policy

We reserve the right to request random drug testing. However, if there is reasonable suspicion that drugs are being abused, we reserve the right to request a drug test performed at a licensed drug testing facility such as Blackbird. We reserve the right to implement new hire drug testing.

Workplace Conduct

Employees are expected to perform their duties as outlined in Job Descriptions and Handbook in a friendly, cooperative manner. Employees/volunteer shall NEVER use corporal or other harsh punishment. You may not use any humiliating or frightening methods of discipline to control the actions of any child or group of children. Punishment shall not be associated with food, rest, or toileting. In instances where emotional or discipline problems require parental consultation, the staff must limit discussion to observed behavior and situations. References to community resources may be made when requested by parents. We are a staff of Early Childhood Educators, and as such are expected to convey that professionalism in our appearance, speech, and in our actions. Failure to do so will result in disciplinary action.

If an employee resigns within 1 year of renewal of CDA, the employee will pay back all fees up to \$215.00 in their last paycheck.

Disciplinary Action

Records will be maintained to document disciplinary action for violation of performance standards or work policies of GEM. This includes any footage from security camera, reports from parents, staff, and director observations. Employees are allowed only two disciplinary actions. You are responsible and will be held accountable for all content you post online. Be mindful of what you publish as it is public. Do not discuss GEM or GUMC related matters as your opinion can often be associated as the opinion of GEM. If you chose to friend someone after the children are no longer enrolled that is acceptable. If you wish to communicate with parents regarding the events in your classroom, please use the GEM page or the Remind App. Parents are not to communicate with you regarding attendance, scheduling, classroom situations or other students in your care via Facebook or text messages. This policy is for your personal protection and the protection of GEM. Any violation of this policy will result in disciplinary action.

Conflict of Interest

Professional and community activities in which you are involved on your

own time outside of employment at GEM are not our concern unless they adversely affect job performance. You must report any outside employment to your supervisor. Outside employment is not an excuse for poor job performance, absence, tardiness, leaving early, or requesting a changed schedule.

Statutory Benefits

In accordance with applicable law, the following benefits are provided to all employees:

Worker's Compensation Insurance

This coverage complies with the worker's compensation laws of Indiana, and GUMC pays the entire cost of this protection. You must provide a return-to-work form indicating when you can return to full duty or return to work with restrictions. You must complete a return to work form for each doctor's visit, showing any time off work, restrictions, or follow-up visits.

Social Security

Social Security coverage entitles you and your family to certain health and retirement benefits based on income and the number of years worked. GUMC contributes to this coverage by paying ½ of the Social Security tax. You are expected to work your personal business, including doctor appointments around your work schedule.

Child Care Benefit

Employees will be charged half tuition for the first child enrolled at GEM. All required enrollment standards apply. The employee will not work directly with his/her own child unless approved by the director. There will be no discount for any child enrolled in our infant program. - All documentation of complaints is kept confidential between all parties involved.
- Communications of the incident will then be reported to the staff and DSAB Board at the next assigned meeting.

Interactions with Children

Always be prepared. Lesson plans, crafts, stories, and all scheduled activities for the day should be prepared ahead of time and ready for the children upon the teachers' arrival. All preparations for the following day should be done during nap time the previous day. A file system should be in place and stocked with the weekly plan and supplies needed in case of unforeseen absences. Positive Discipline is teaching and training children to develop self-discipline which builds self esteem. Encourage and set examples for children so he/she will make good choices and develop responsibility. Communication with the children will be done in a positive manner and tone always. Praise, redirection, positive reinforcement, and a behavior management plan are encouraged. Encourage children to use his/her words to resolve problems. If you feel you need to intervene then do so before a situation gets out of control. Healthy competition is acceptable but turning things into a race is discouraged. We want the children to always feel the success of trying without getting frustrated and to understand that sometimes it takes time to learn a skill. Do not override the decision of another teacher when it

comes to the children. Communicate with each other to know what is expected and acceptable for both teachers in the classroom. Encourage children to clean up and put activities away before he/she can get another activity out. Bad Language is usually a harmless way of getting attention. Encourage the use of different words without showing too much concern. Sanitize toys, tables, chairs, and cots weekly. Encourage children to flush toilets, wash hands and use 1 paper towel. When a child has an accident always assume it is an accident and do not make a big deal about it since he/she might be embarrassed. Give them a plastic bag (for soiled clothes), get clean clothes from his/her locker, from the classroom, or GEM extra supply in the upstairs women's restroom. Place soiled clothes in locker to be taken home and washed. Use latex gloves when cleaning up bodily wastes and follow Universal Precautions. Children's information is confidential. Information concerning the children and families in our care shall not be discussed outside of GEM. Please limit conversations concerning families and children for appropriate times, for example not in front of the children or other parents.

Bathroom Procedures

Take the children to the bathroom on a regular basis. Children can go when needed anytime during the day. Remind the children to flush and wash hands with soap. If a child has an accident, treat it as such and give him/her plastic bag and clean clothes. Assist the child when needed. Place the plastic bag in the child's locker to be taken home and washed.

If they have forgotten offer them one of GEM's extras. We do not supply pillows and have limited snuggle friends. Each cot should be clearly labeled with the child's name and only used for that child. Jumping on cots and running around the room is not allowed. Soft music (child appropriate), lullabies or stories on CD should be played during rest time. Radio stations are not permitted at any time. On Friday send all blankets home to be washed. Gather the center blankets in the laundry bag in the infant room. Sanitize the cots on Friday. Each room should have a sanitizing solution in a spray bottle for this.

Playground Procedures

The safety of the children is our priority. Supervise the children in all areas of the playground; remember to be engaged with them as much as possible. Make sure to greet children and parents when they arrive or leave for the day. Remind the parents to sign in/out. When going/leaving the playground the children need to form a line, count the children in your group. When 2 teachers are present, 1 teacher should lead the group and 1 teacher should follow at the end. When you leave the playground please make sure all the other teachers are aware you are stepping away and are in ratio. Children are not permitted to leave the playground without a teacher or parent. Please use gate locks when using the playground. Take your first aid bag and walkie with you when go to the playground. Equipment is stored in the shed. Please remember to replace all items you take out and encourage the children to play appropriately with the materials. Discourage the children from throwing sticks, rocks, pebbles, mulch, and any other debris from the yard. Empty the Trash, as necessary. Children may not climb the fences or trees. 1 teacher should be stationed at each play station, ex: swings, sandbox, climber, monkey bars, etc. to ensure all children are supervised always.

Termination

Any of the guidelines not followed in our personnel policy are subject to a written disciplinary action notification. Two or more notifications may mean a provisional probationary period or possible termination.

Reimbursement

If you purchase supplies for your classroom and you would like to be reimbursed for them, turn in your receipt and you will be reimbursed within 1 week's time. Please discuss with the director for any large purchases more than \$10.00. All items paid for by GEM, then become property of GEM. We expect employees who have access to this information to treat it as confidential and not discuss or disclose it except as may be necessary about the performance of their work or as required by law. All information regarding an employee will be kept in separate files and treated confidentially. Unauthorized disclosure of confidential information could subject an employee to immediate termination and possible criminal and civil penalties. Electronic Information Systems Policy

E-mail, computer, and telephone systems are the property of GUMC and are intended for business use. We have the right to access any information or file maintained in or on our property or transmitted or stored through our electronic information systems or other technical resources. You are given access to our computer and network to assist you in performing your job, and you may only use it for business purposes. The work you create on your computer and the computer itself is the property of GEM. You should not have the expectation of privacy. All changes to computers, including installing software must be authorized by the director and DSAB. Grace United Methodist Church prohibits the use of its electronic information systems in ways that are unlawful, disruptive, offensive to others, or harmful to morale. For example, the display or transmission of images, messages, and cartoons that may offend others because of their sex, race, age, national origin, disability, religion, or any other category protected by law is prohibited. Such misuse includes, but

is not limited to, ethnic or racial slurs, racial or sexual comments or jokes, or any other communication that shows disrespect for others based on sex, race, national origin, disability, religion, or age. Misrepresenting yourself, GEM, or the church, using an account that is not your own, or accessing unauthorized information is prohibited. Using or copying software in violation of a license agreement or copyright is prohibited. Even though a message may be deleted from the system, a record of it may remain either on the daily backups of all data or in other ways. It is possible to re-create a "deleted" message. Under certain circumstances, GUMC may access information stored in its electronic information systems. Therefore, ultimate privacy of messages cannot be assured. While it is impossible to list all the circumstances under which access may occur, some examples follow:

- During regular maintenance of the system.
- When GUMC has a business needs to access the employee's mailbox or computer files; for example, if the employee is absent from the office and the supervisor has reason to believe that information relevant to the day's business is in the employee's files.
- When GEM receives a legal request to disclose electronic information.
- When the GUMC has reason to believe that employees are using its electronic information systems or other technical resources in violation of its policies.
- Because GUMC is sensitive to employees' privacy concerns, we will make every effort to access electronic information systems in a respectful and responsible manner.
- Violations of this policy may result in disciplinary action up to and including termination.
