

West Cavan Industries Presents the American

LIBERTY FACE SHIELD

American Made PPE

The Liberty Face Shield was developed by American Manufacturers and deployed to Protect our Nurses and Doctors on the front lines of Covid-19 Pandemic. We continue to support and provide Protection to Nurses and Doctors all over the world. As we Transition from Quarantine: Restrictions will be lifted, but Businesses will be required to provide PPE equipment to their employees. Dentists, Massage therapy, Chiropractor, Therapists, Restaurants, Cooks, Gas Station attendants, Fast Food, Uber, Bank tellers, Grocery Store Clerks, Teachers, Retail Store associates- The list of those in need of the Liberty Face Shield is endless. Protect your People today with an American Made product.
