

GET PAID TO PLAY – BE A REF!!!!

Ohiopyle Paintball is taking applications for part-time on-call Paintball Refs.

Paintball is mainly played on weekends, with youth summer camp groups on weekdays, and groups from the same place of work in the evenings.

Games to ref are not guaranteed and vary from day to day, so schedules vary from day to day.

You may be scheduled for 6 games a week or you may be scheduled for none. It all depends on reservations.

We do not take reservations to play the day someone calls, but we do take reservations the day before.

If you have another job, we can work around your availability. You will be asked to list when you are available at least 30 days in advance. You will be notified by text message as soon as we need to schedule you as a ref. Failure to answer yes or no within a couple hours will give your ref time to a different ref.

To apply, email your interest, experience (paintball and other work), personal info such as age and how close to Ohiopyle you live, and probable availability to

OhiopyleCamping@

ScarlettKnobCampground.com.

Address:

**133 Scarlett Knob Rd.
Ohiopyle, PA 15470**

**2 Miles North of Ohiopyle
on PA 381**
