Fresh off the AKC website, from their most recent July board meeting. Please see a new update to retrieving credits for obtaining a field championship, effective January 1, 2020:

Assessing a Dog's Ability to Retrieve in Pointing Breed Field Trials

The Board VOTED to amend the retrieving requirements in the Field Trial Rules and Standard Procedure for Pointing Breeds to change how a dog's ability to retrieve is assessed in Pointing Breed Field Trials by awarding retrieving credits for placements in addition to those that currently earn points, depending of the size of the stake. To be awarded a FC or AFC title, a dog must earn 10 championship points by placing in Open or Amateur stakes. Additionally, the four retrieving breeds (GSP, Vizsla, Weimaraner, GWP) must demonstrate their ability to retrieve by earning four retrieving credits according to the following schedules:

# of Starters	<u>Open Stakes</u>				<u>Amateur Stakes</u>			
	1st	2nd	3rd	4th	1st	2nd	3rd	4th
4 to 7	1	0	0	0	1	0	0	0
8 to 12	2	1	0	0	2	1	0	0
13 to 17	3	1	1	0	3	1	1	0
18 to 24	4	1	1	1	4	2	1	1
25 or more	5	2	1	1	5	3	1	1

Retrieving credits earned in amateur stakes may count toward a dog's Field Championship title provided the credits were earned by winning first place in an amateur retrieving stake. This change will be effective January 1, 2020. Retrieving credits will not be calculated retroactively prior to the effective date.
