PROGRAM for the meeting, YOU BE THE JUDGE: You are the judge and never met your judging partner. First brace of Master Hunter and you have top dog (A dog) and your partner has B dog in case you guys get separated. About 10 minutes into brace Dog B Points and Dog A is backing about 10 yards back. The backing dog handler walks and stands beside his dog during the kill and retrieve for Dog B. During the kill the handler of Dog A (backing dog) cautions dog to with a quiet "whoa". The Kill and Retrieve go well, and your judging partner rides up to Dog A handler and lets him know that he needs to pick up his dog because he did not point his gun during the kill, and he cannot verbal whoa his dog in Master Hunter. The judge also mentions that the handler was out of position and felt he should have been in another position that would not interfere with the dog. You turn to your Judge and.....YOU BE THE JUDGE.

Everyone stay well. Don't forget to submit pictures of events/awards to Vanessa or maybe some silly GSP pictures while in quarantine.
