

"More Dogs!"

Main points from the 6 week survey of PAWS Your Stress Online viewers.

Our recent survey of those watching PAWS Your Stress Online Therapy Dog Videos found:

Viewers have enjoyed getting to know the **dogs' personalities** and seeing them in their home environments

They want to meet and visit with **more dogs**

Viewers watch **pre-recorded** and live videos at the same rate

They are watching on a variety of platforms, but mainly **Facebook** and **Instagram**

What can you do?

Share your **photos**

Contribute our social media pages from **your dog's point of view**

Record videos of your dog

Share about your dog's daily life, viewers want to get to know your dogs

Send your ideas, photos, and videos to Ben at ben.carey@usask.ca
