

FISHDONKEY BASICS

If participating as a 2 MAN TEAM, only one person should register and record fish for both people.

To reflect a TEAM name in the leaderboard, click in your profile and change your first name to your partner's last name.

1

HOW TO ENTER A FISH VIDEO

<https://tinyurl.com/y2x2hq7f>

2

PRACTICE ENTERING A FISH

Log into the app and JOIN the tournament called 'Practice Entering a Fish'.

3

YOUR DIGITAL LIVEWELL

The fish icon in the top right corner will show you if you have an entry waiting to get back to a good connection. Open it if your photos did not go through.

4

NO INTERNET?

Open the app before you leave. Once you see the button 'Enter a Fish', you can head out. Do not swipe your app closed. Do not log out. Enter fish as normal.
