YOUR SHOPPERS DESERVE THE VERY BEST!

One bite into any of our luscious desserts and your taste buds will remember grandma's kitchen. At Sweet Tooth, we only use the highest quality all natural ingredients without any of the preservative you'd expect from frozen desserts.

All of our scratch baked cupcakes, cookies, pies, pastries, occasion cakes and specialty desserts are fancifully decorated to look beautiful and delicious. You can sample some of our delicious desserts at Lamberts Market, Milton Marketplace, and Wilson Farms as well as several restaurants in the Boston metro area — or just stop by our retail shop in South Boston.
