

Colwall Orchard Group Library

Listed below are the books and publications that comprise our orchard library stored in the Orchard Room within the Apple Packing Shed at Colwall Village Garden.

The books are available for short-term loan by contacting members@colwallorchardgroup.org, or by speaking to Andy Ball.

We would welcome a modest, optional donation for books that you borrow (suggested fee 50p) and would also very like to have any other orchard/natural history related books that you may wish to give to the library for others to enjoy.
