MARBLE CATALOGUE

VIKAMARBLE

DESIGNED BY NATURE

Natural Stone Collection® Marble, Travertine, Onyx

We can do everything that you can devise as Turkish marble, travertine, limestone etc to do that our technical team study the possibilities of manufacturing and adapt the designs to this way.

Professional R&D Team

Numerous Architecture companies from different countries send us their proposals for projects in vika marble® to be studied and developed and finally become a reality

Customer Satisfaction

The confidence in the Turkish marble company, and our staff has been one of the main keys to our continued growth based on the absolute trust confidentiality of the work between us and the customer, carrying out of each time all their needs.

WE MAKE
REAL
YOUR
DESIGN

Creator of quality designs thinker of fresh ideas

Vika Marble® is a natural stone producer, inspector and design company for all kind of stones. Our headquarters is in Izmir including R&D Team and architects and partnership factories located in afyon and denizli.

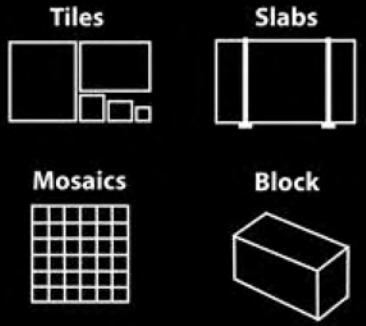

We export goods to 23 country such as United States, Europe, Russia, Middle East and Australia.

We were simply born to paint pixels for a living

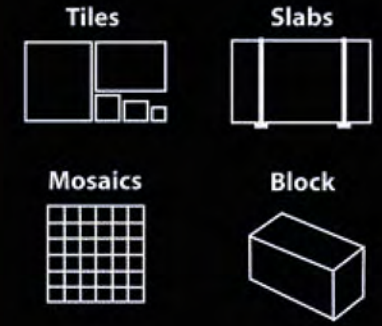

Our mission as Vika Marble is to provide fast , high quality and economic prices all kind of natural Stone products to our customers every-time. We are Customer-Focused, Reliable, Innovative company.

Vika Marble collection comprises of slabs, tiles, mosaics, cnc designs, waterjet, accessories and sinks in a wide range of natural stones.
