

Why Prince Castle

Prince Castle did not only start as a small business in 1955 but has flourished enough to partner with incredible brands and incredible people. Our innovations are the result of our strong core values. We firmly believe in doing the right thing, and working for each other. This creates a culture of accountability that helps us to produce quality work. We are about our employees, our future, and our customers.

About us

At Prince Castle, simply put, we put our employees first. We provide more than a salary. Our collaborative culture and worldwide presence generate a stream of new opportunities to define the future and drive your life's work.

You get the best of both worlds: learn from great minds and bring your unique perspective to life. We like our employees to bring curiosity, bring originality, and most importantly bring drive. We appreciate our employees. Everything you receive as an employee - your pay, healthcare benefits, wellness programs, retirement plans and work/life benefits is just part of our commitment. We truly care about you as a person. Not just the "you" that shows up to work every day. But the "you" that goes home to your loved ones and out into your community. At Prince Castle, we don't just accept difference—we celebrate it, we support it, and we thrive on it for the benefit of our employees, our products, and our community.

Welcome to the team!

Our Values

In addition to building great products and delivering incomparable customer service, one of our primary goals is to make Prince Castle an amazing place to work by having values that we follow as a company.

Do the right thing

We are an organization that has a reputation for outstanding leadership, innovation, and expertise. We encourage our employees to act responsibly, to be reliable, to have ambition with our customers, our co-workers, our vendors, our communities, and our environment.

Make it safe, fun, and empowering

Not only do we find ways to empower our team to achieve our vision, but also pride ourselves on making it an enjoyable place to work by having holiday parties, traveling together, and even having chess tournaments!

We work for each other

We have built a culture that works together to build customer, employee and supplier relationships based on trust and respect. We believe in succeeding as a team while excelling as individuals. We never settle for second best and we are not just committed to performing well as individuals, but as a team, to strengthen the company as a whole.

Keep it simple

We like to focus on what matters most in our daily tasks by having an 80/20 mindset. Knowing what is more effective and realistic for us making simplicity a key goal in design.

Make it better than it is today

We invest in continuously improving every day in everything we do. Our employees use their creativity and talent to invent new solutions, meet new demands, and offer the most effective services and products in the industry.

Sustain the Prince Castle economy

We believe in winning profitably and investing for the future by using resources wisely and responsibly. While keeping demands and still having our Prince Castle touch to everything we do we focus on what matters most, our future, our name and our employees.

Prince Castle is not just a global foodservice equipment manufacturer that specializes in developing quality products for the world's premier restaurant brands, we're more than that. Our best asset is, without question, our people. We believe in an ethical and cooperative approach to our work that emphasizes working for one another. This "team first" approach makes Prince Castle not only a fun and engaging place to work, but also a leader in efficiency and reliability.

Prince Castle has been named one of the nation's Best and Brightest Companies to Work For® by the National Association of Business Resources. Best and brightest awards are geared toward recognizing the most influential, trendsetting companies regionally and across the country in certain programs. This award not only honors organizations as Best and Brightest Companies to Work For in the Nation, but also celebrates achievement and success in empowering employees' lives, through rich heritage and culture making Prince Castle — an ideal place for employees to work!

"In business, I look for economic castles protected by unbreachable 'moats'."

- Warren Buffett
