Troubleshooting

I cannot get to the MFT SharePoint Site, where can I go for help?

First, confirm that you are logged into your laptop under your NEW marmonfoodservice.com email address. In most cases, you may be logged into your computer under your old Cornelius/Silver King/ Prince Castle email address. If this does not work, contact your IT Department for assistance.

I cannot upload files to the Marketing tab on the SharePoint Site?

Only marketing team members can add files to the marketing tab. However, anyone with a Marmon Foodservice email address can download files.
