

About WorkSpace Solutions

WorkSpace Solutions is a local firm dedicated to providing Pennsylvania and Ohio with a variety of design services and office furniture products. Our experienced professionals have spent more than two decades in the office furnishings business.

We believe that beautiful and functional environments lead to enhanced productivity. Synergy between people and their physical surroundings has real impact on the success of an organization's goals.

Our Mission

We strive to build and maintain lasting, fulfilling relationships with our clients. We view ourselves as partners in our clients' organizations and commit ourselves to applying our expertise to create mutually beneficial outcomes.

Our Vision

Through commitment to our mission, WorkSpace Solutions will become the preferred source for office planning services and products in the central western Pennsylvania and eastern Ohio regions.

Our Capabilities
