

PATROL

Have you been doing business with an incompetent security company?

- Has their service left you under protected or not protected at all?
- Does their under trained or unprofessional staff & administration continually let you down?
- Do they fail at being an actual visible deterrent to criminals & assailants?
- Does the sheer size of the property your business, office, complex, strip mall/mall, plaza, industrial center, retail chain, etc. require more than just stand-alone security?

We at SPSS offer an innovative patrol solution. With the best trained officers & state of the art technology we pride ourselves on leading the charge to bring the security industry into the quantum age. Our patrol solution is unique & comprehensive. We utilize proprietary intellectual properties & technology in conjunction with strategic partnerships with up & coming innovators in Artificial Intelligence, machine learning, software, robotics, IOT, risk management & so much more. We offer an active visible deterrent with our vehicles, officers & equipment, that has been proven to deter criminals. We will deliver nothing short of excellence to the clients & communities we serve.
