quench your eyes

MfabcoTM

Malabar Fabricators & Contractors Pvt. Ltd

Welcome to

Company Profile

Malabar Fabricators and contractors Pvt. Ltd. (Mfabco) was incorporate in 30-6-2009 by Mr. Abdul Kareem, who have 18 years experience in fabrication, erection and commissioning in the field of hydro power projects and cement plants.

It gives us immense pleasure to introduce ourselves as Engineering and Project construction company, execute and working with many projects like Power Sector, Hydro power sector, steal plant, cement plant, Fabrication of pen-stock pipes, pipeline fabrication and fittings, various structural fabrication etc.

In the recent years, India has seen remarkable growth in Power & Energy, Oil & Gas and all major sector of National Infrastructure which in turn identified the business demand for the company to step-in and deliver quality product and services that matches all national and international standards. Due to the exponential growth in the above mentioned industries, company decided to diversify in Engineering fabrication, Construction and Erection works.

Mfabco has successfully executed many projects with corporate giants & government sectors like Andritz Hydro Pvt Ltd, Angelique International Limited, Essar Projects (India) Ltd, Voith Hydro Pvt, Ltd, The details of these projects is mentioned The details of these projects is mentioned below for your reference.

Quality Control

Mfabco has the motto to attain Total Quality Control (TQC) and time to time appropriate measures are implemented this goal with global standards

All the work entrusted on us are considered as a challenge and we strive to accomplish with modified spirit implementing Total Quality Control Procedure, first to none.

The procedure is generally implemented with the consent of our clients for satisfaction.

We have special inspection engineer to implement Quality Control and Corresponding report copies are availed to customers.

Quality Assurance

We assume it as our responsibility to implement all procedures and methodology of prevailing quality control standards. Qualified & experience personnels are appointed to meet our goals.

Safety HSC

The safety department of Mfabco encourages all the personnel to be responsible for their personal safety and other who may be effected by their acts or omission at work.

The department shoulders the responsibility for bringing to the attention of all the employees the requirement to work at all times.

Progress

Since an important part of

project is efficient and reliable production (Progress)

Mfabco Team has developed its own experience in establishing an operating and integrated production (progress) system.

Fully qualified, experienced and responsible engineers, supervisors, foreman are selected to establish and conduct detailed production (progress) operation. Every effort is made to complete the production (progress) either at time or ahead of schedule.

In order to guarantee the highest quality and safety in our production progress).

Mfabco continuously verifies progress activities. Pursue way to develop new techniques to efficiently accomplish completion work in time.

Imperative Innovation

Our client's needs drive our business and we innovate things that suit the growth of our clients, indeed, the neck-and-neck global marketplace demands innovation.

Performance is our greatest strength

Performance is the cornerstone of our success. Our expertise and capabilities win us the work, perform the work, create value for our clients and generate loyalty in our investors.

we create an environment where our employees meet fresh, exciting challenges and experience the satisfaction of a job well done.

Vision

To exceed the client expectation by providing innovative, systematic and goal orientated quality services and solutions to enable them to operate at fullest potential with competitive edge in modern industry.

Mission

To provide our clients with efficient, Cost-effective and quality services and solutions by continuous and improvement in our services and facilities taking into account the exact needs and expectation of our client

Financial Background

with this team you can constantly striving to better your experience with us..

Projects Completed

OPCL

Contractor	: Orissa Power Consortium Limited
Country	: INDIA
Location	: ORISSA
Installed Capacity	: 5 X 4 MW
Turbine	: Horizontal (X type) Kaplan

Iruttukonam SHPP I

Contractor	: Ms. Viyyat Power/Flovel Energy Pvt Ltd
Country	: India
Location	: IDUKKI, KERALA
Installed Capacity	: 2 X 1.5 MW
Turbine	: Horizontal Francis

Poozhithode SHPP

Contractor	: KSEB/Flovel Energy Pvt Ltd
Country	: India
Location	: Kozhikode, Kerala
Installed Capacity	: 3 x 1600KW
Turbine	: Horizontal Francis

BINTANG HEP

Contractor	: Andritz Hydro Pvt Ltd
Country	: Malaysia
Location	: BINTANG, Malaysia
Installed Capacity	: 2 X 3.85
Turbine	: Horizontal Pelton

Iruttukonam SHPP II

Contractor	: Ms. Viyyat Power/Flovel Energy Pvt Ltd
Country	: India
Location	: IDUKKI, KERALA
Installed Capacity	: 2 X 1.5 MW
Turbine	: Horizontal Francis

Nam Song HPP

Contractor	: EDL Generation Public Company/Angelique international
Country	: Laos
Location	: Laos
Installed Capacity	: 3 x 2 MW
Turbine	: Horizontal (X type) Kaplan

Peechi HEP

Contractor	: KSEB/B Fouress Pvt Ltd
Country	: India
Location	: Trissur, Kerala
Installed Capacity	: 1 x 1.2MW
Turbine	: Horizontal Kaplan

Mauneswara HPP

Contractor	: B Fouress Pvt Ltd
Country	: India
Location	: Kakkera, Karnataka
Installed Capacity	: 3 x 8.25 MW
Turbine	: Vertical Kaplan

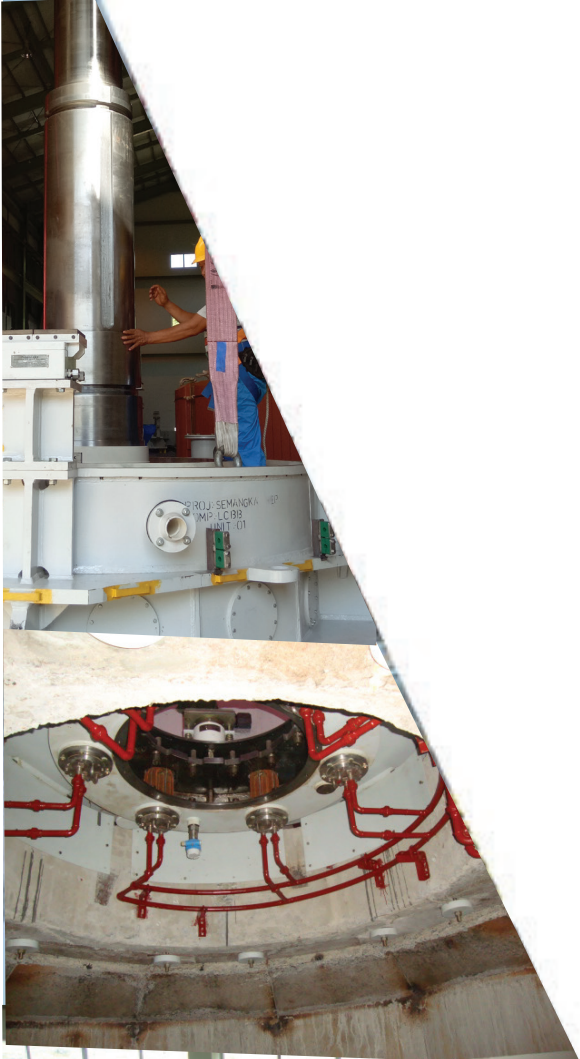

Singatalur HEP

Contractor	: Andritz Hydro Pvt Ltd
Country	: India
Location	: Singatalur, Karnataka
Installed Capacity	: 4 X 4MW
Turbine	: Horizontal Kaplan

Chandil HEP

Contractor	: HPP Energy (India) Pvt. Ltd
Country	: India
Location	: Jharkhand
Installed Capacity	: 2 X 4 MW
Turbine	: Vertical Kaplan

Mahadevapura HEP

Contractor : B Fouress Pvt Ltd
Country : India
Location : Mandya Karnataka
Installed Capacity : 3 x 2 MW
Turbine : Vertical Kaplan

Ragavpura SHPP

Contractor : B Fouress Pvt Ltd
Country : India
Location : Ragavpura, Andra Pradesh
Installed Capacity : 1500 KW & 700 KW
Turbine : Vertical Kaplan

Ngoi Phat

Contractor : Andritz Hydro Pvt Ltd
Country : Vietnam
Location : Lao Cai
Installed Capacity : 3 x 24 MW
Turbine : Vertical Francis

Semangka HEPP

Contractor : Voith Hydro Pvt Ltd
Country : Indonesia
Location : Sumatra, Indonesia
Installed Capacity : 2 X 28.3 MW
Turbine : Vertical Francis

Baragaon HEP

Contractor	: Andritz Hydro Pvt Ltd
Country	: India
Location	: Kullu, Himachal Pradesh
Installed Capacity	: 3 X 8.5 MW
Turbine	: Horizontal Pelton

Vilangad SHPP

Contractor	: Flovel Energy Pvt Ltd
Country	: India
Location	: Kozhikode, Kerala
Installed Capacity	: 3 X 2500 KW
Turbine	: Horizontal Francis

Chimony SHEP

Contractor	: Flovel Energy Pvt Ltd
Country	: India
Location	: Trissur, Kerala
Installed Capacity	: 1 X 2.5MW
Turbine	: Horizontal Francis

Thangarabalu HEP

Contractor	: B Fouress Pvt Ltd
Country	: India
Location	: Lingasugar, Karnataka
Installed Capacity	: 2 X 12.375 MW
Turbine	: Vertical Kaplan

Kakobola HEP

Contractor	: Voith Hydro Pvt Ltd
Country	: Republic DeCongo
Location	: KAKOBOLA
Installed Capacity	: 3 X 3.1 MW
Turbine	: Vertical Francis

Target Focussed

We have strived hard to achieve good engineering and quality of workmanship to the satisfaction of our clients.

In appreciation, our company has always been trusted with repeated orders from clients. This has led to the growing of our client list without any advertisement.

Despite such gains, Mfabco would like to assure you that this is just a humble beginning as we move on the trajectory of growth, involvement and commitment.

Looking forward to take on new challenges and scale new heights of achievement in future.
