Health/ Housing ..... 8

Parenting Classes/ Utilities ..... 9

## History

Building Bridges of Oklahoma, established in 2009, brings communities together to better equip families across socio-economic lines and to address systemic barriers that can often hinder a family's upward mobility. Our name and motto were created by a Building Bridges' family member who said, "there's not a bridge we burned that can't be rebuilt, especially together". Welcome to Building Bridges! Together we can.
