

AIM Foundation and Brentwood Alumni Chapter of Kappa Alpha Psi Fraternity Caring For Kids and the Community

Food to those in need.

Extending a Helping Hand In a Time of Need

Purpose:

Many children in local communities receive meals at school, which in some cases that is the only meal they can rely upon for the day. And now in the wake of the COVID-19 crisis children aren't getting that meal. In an effort to address this need the AIM Foundation of Middle Tennessee is partnering with the Brentwood Chapter of Kappa Alpha Pi Fraternity, Incorporated and TEN45 - Nashville to provide a meal to the children and their families in the 37208 zip code.

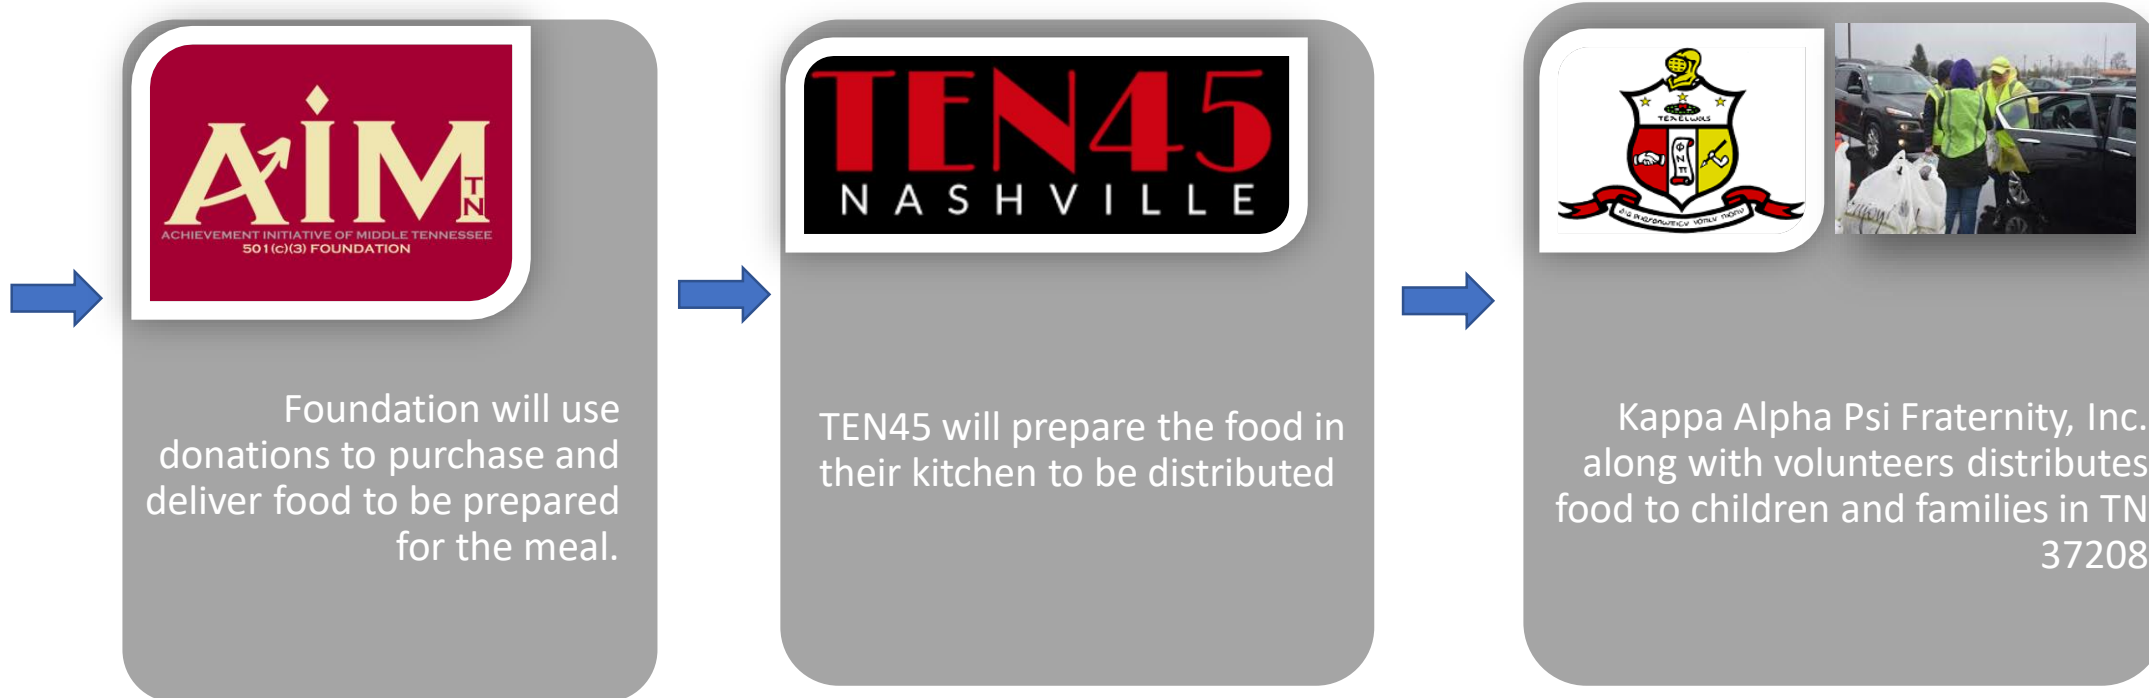

Mission:

To distribute a meal for the kids of TN 37208 by means of a pop up drive-by pick up station.

Vision

The AIM Foundation has asked TEN45 to prepare the meals. The Brentwood Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. will distribute the meals. Thursday, April 30th, 2020, the volunteers will set up pop-up distribution station at the corner of 1106 Jefferson Street, Nashville, TN. The children and their parents can come to the stations pick up the meal, with no human contact, keeping the volunteers and recipients safe.

Steps to Execute the initiative

- Thursday, April 30th, 2020
- Food service will start at 11:30 PM
- Will have 1,000 meals available
- Will serve until we run out of food
