

Join Team Athena's efforts by funding our process of Building Confidence, Self-Awareness, and Self-Empowerment of Teens and Women

KAYAKING WITH WARRIORS FUNDRAISING

To connect with women on the lake to promote our self-care side of the organization, Athena's Armor is making preparations for the fresh air. We are asking for your gently used donations that would make these events an absolute success!

Some of the donations we are seeking are:

- Kayaks (2 singles , 1 tandem)
- Life jackets (4)
- Paddles (4)
- Trailer

With your help we can offer women and children an experience of a new adventure in self-trust and confidence in a safe atmosphere.

We have plans in the future to host weekend retreats teaching self-defense & outdoor survival skills along with other activities that include kayaking & yoga with evening campfire relaxation. Having the necessary equipment keeps costs down for campers and allows personal kayaking sessions for those who qualify for scholarships.

PLEASE HELP support Athena's Armors *Kayaking with Warriors*!!
