

# 2-Cycle Engine Oil

No Smoke...No Smell

DGP High Performance 2-Cycle Engine Oil removes the petroleum base stocks found in conventional oils. It is a proprietary formulation of American made, bio-based ingredients, that deliver outstanding lubricity, reduction of carbon deposits and increased RPMs. This product is designed to exceed JASO FD for superior engine protection, excellent detergency and reduced emissions. It is significantly less hazardous to plants, animals, and end users when compared to petroleum-based products. **Safer** for employees, better lubrication for equipment and **safer** for the environment.
