

sweet sticky things

brown sugar pie with iced cream 7

We suck at trying to explain this distinctive dessert! Let's just say that it's our take on a Québécois classic. Also, it's buttery, brown sugary goodness.

vegan carrot cake 7

Guests have been known to come here just to get this cake.

gluten-free flourless torte 7

Always available, but never the same. We change the flavors of this dense, creamy dessert regularly. Ask your server about today's selection.

beer float 9

Belching Beaver Peanut Butter Milk Stout and vanilla iced cream

cheesecake of the day 7

Flavors vary; ask your server about today's selection.

juju's frozen custard 7

Available by the pint, so it's good to share. You can always take home the rest. We hand-make this frozen custard 5 doors west at our sister shop Juju's Iced Cream & Frozen Custard. Flavors vary, ask your server about today's selection. Or take a walk down to Juju's for a wider selection of frozen treats. It's about a 58 steps west.

etcetera desserts...

We are constantly testing new desserts. Once again, ask you server about today's selection.
