

OUR MISSION is to prevent Trauma Related Loss by building resiliency and empowering our youth, families and communities, through trauma informed care, education and enrichment activities and to provide scholarships to students majoring in nursing.

SKYE'S THE LIMIT FOUNDATION will be sponsoring up to 30 registrants for this very informative training on Trauma support. Get your seat reserved today! We are happy to be able to provide this opportunity to broaden your understanding and awareness of trauma in your classroom, home, office and community and how you can support healing.

Learn the essential information and skills to help trauma survivors recover.

Certified Trauma Support Specialist

July 8-9, 2020

8:30-4:30 (Arizona MST)

LIVE WEBINAR

Register by emailing:

office@skiesthelimit.org

Subject line: "Trauma Support Specialist"

This course meets the educational requirements for the Certified Trauma Support Specialist Certification available through the [Trauma Institute International](#). The course will count towards 12 CEU Hours (Outside of AZ, confirm with your licensing board.)

Who should Attend:

Case managers, Case workers, Foster parents, Parents, Teachers, Nurses, Daycare workers, Social workers, Student mental health advocates.

Presenter: Roderick Logan, DPT, CCTS, CFTP, FFTT

This 12-hour training is designed to enhance non-clinical care professional's knowledge and skills to support the healing process for those they care for who struggle because of a history of trauma and adversity. Learn the essential information and skills to help trauma survivors recover fully from the events of their past. Those that care will increase their ability to use the active ingredients that are vital and fundamental to effective recovery and resilience of a trauma history. [Learn More](#)
