I bought tickets in my underpants.***

Planning a trip has never been easier, thanks to Continental's On-Line (CO.O.L.) Travel Assistant. You'll have complete control over making your own reservations for air, car and hotel, all with our secure, easy-to-use on-line travel planning service. Plus you can check flight schedules anytime, day or night. It even allows you to create your own travel profile that includes your seating preference and OnePass® number to use every time you purchase tickets on-line. And anytime you purchase your tickets using CO.O.L. Travel Assistant through December 31, 1997, you'll automatically earn 1,000 bonus OnePass miles. So get a jump on any passengers still living in the past by visiting our web site at www.flycontinental.com.
