VFW Concert Series Begins

With weekly jams and a full slate of bluegrass, old time and gospel shows, music has returned to VFW Post 1115 after an absence of many years.

Jams began in February and are being held every Monday night at 6:30. Although old time and bluegrass are the main types of music being played, the VFW invites musicians of any genre to come on down and play. The jams are open to the public with no admission charge, and concessions will be sold by the VFW.

The Country Boys came up the mountain from Mount Airy to launch our concert series with a show Saturday night, March 14 and they performed for a very enthusiastic crowd although attendance was limited due to inclement weather and the ongoing virus threat.

Once the virus threat is over, more shows will be scheduled and announced. Shows will be at 7:30 p.m. with a \$7 adult admission charge. Concessions will be available, sold by the VFW.

Please see the Calendar of Events on our website for the most up to date information on upcoming concerts.

VETERANS URGED TO CONTACT SENATORS

With controversy surrounding the War Memorial Bill (SB 620), members are urged to contact their State Senators to recommend specific action regarding the bill.

SB 620 basically calls for removal of “a prohibition on disturbing or interfering with any war monument or memorial erected by a locality or preventing citizens from maintaining such monument or memorial. The bill authorizes a locality to alter, move, or remove any monument or memorial from the locality's public property and removes certain criminal and civil penalties for such.”

To view the full bill online, go to Virginia’s Legislative Information System (LIS). Greg Eanes, President of the Virginia Veterans Memorial Preservation Foundation, urges Veterans to call for specific action: 1) let the war memorial bill die; 2) only the Senate version is acceptable but it needs improvement; or 3) table the bill to give the Joint Leadership Council of Veterans Service Organizations, in conjunction with the Virginia Department of Historic Resources, time to formally review and make its input on any war memorial removal legislation. State Senators to contact for members living in Carroll County or Galax are David Sutterlein (R) at District19@senate.virginia.gov or William Stanley (R) at district20@senate.virginia.gov

PROPOSED CHANGES

Several changes are being proposed for the By-Laws and Standards of Procedures for VFW Post 1115.

Some of these proposals are significant, including increase in annual dues and selecting a different regular meeting day and time, while other changes merely involve rewording of how the procedures are documented.

A preliminary report of these changes was mailed to members in March. Please fill out and return the voting forms as soon as possible.

**POST 1115 WELCOMES
NEW MEMBER**

One Veteran was accepted as a member in the Post during the monthly meeting March 13.

Dexter W. Dotson of Hillsville, a United States Air Force Veteran of Operation Desert Storm, has transferred in having previously been a "member at large."

With Dotson's addition to the rolls, Post 1115 now claims a total of 484 members for the current year, including 359 Life Members. This is 81.8 percent of the membership quota, which is 593.

Sixteen members attended the monthly meeting despite inclement weather and the ongoing virus threat.

Nominations for officers for 2020-2021 were announced: Sandra Terry for Commander, Scott Lasorso for Senior Vice Commander, Earl Baskett for Junior Vice Commander, Gary Adams for Quartermaster, Roger Neitzke for Chaplain and Roger McGlocklin for three-year Trustee.

Earl Baskett reported on the Memorial Day Gun Show and said he is trying to get some more dealers signed up.

Members were advised of proposed changes to the By-Laws and S.O.P. Manual (see separate article).

Howard Minton urged the members to consider taking out a legacy Life Membership (see separate article).

**CHAPLAIN'S
DEVOTIONAL**

We all served in wartime and we all had enemies of some sort. Those battles are behind us. Still, a war goes on.

There is a different battle and a different enemy now – Satan.

As soldier's in God's Army, we are reminded of what Paul wrote to the people in Ephesus on how to prepare for battle:

"Be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore, put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God."
– Ephesians 10-17

**GREETINGS TO THE
AUXILIARY MEMBERS**

Spring is here and I hope you are enjoying the flowers and the budding trees and the warmer weather.

Due to the virus that is sweeping our nation, most of what I had written is now uncertain. Please stay in touch and we will try to inform you of the next meeting. We still need some new members and if you have someone in your family or friends, we would be glad to sign them up.

We are saddened to drape our Charter in memory of Orethia Bowman, Beulah Sumner, Corene Dickerson, Lake Jenkins, Mozel Jennings, Norma Carr, and Hallie Currin. Our sympathy goes out to these families. Also, a special thanks to the ladies that helped with the Corene Dickerson service.

The Auxiliary gave away a life membership at a drawing of the annual members who had paid their dues by December. Sharon Alexander won the life membership.

Until next time, stay well and safe.
