

An Economic Powerhouse for Manitoba

\$1 billion

Hotels contribute nearly \$1 billion to the Province of Manitoba annually.

\$400 million

Manitoba collects over \$400 million in direct revenue from activity at Manitoba hotels.

\$130 million

Hotels pay \$130 million in income, payroll, property sales and excise taxes annually.

\$11 million

Hotels collect over \$11 million of accommodation taxes in seven cities.

Manitoba hotels **employ over 11,000 Manitobans with a combined payroll of more than \$200 million.** Many Manitoba business leaders come from the accommodations sector. Hotels are a great place to start a career, too.

Over 80% of Manitoba's hotels are **owned by Manitoba families** - investing in our communities.

Manitoba hotels offer more than **14,000 guest rooms.** Together, we can seat **30,000 people** for dinner at one time, and hold banquets for another **30,000.**

Manitoba hotel cold beer retail stores **collect MILLIONS of empty beer bottles and cans each month,** for reuse and recycle. Among the highest return rates in North America, we are proud of the role we play.
