

IMMERSIVE VR EDUCATION

The Future of Distance Learning Is Here

LEARNING SOLUTIONS DURING
COVID-19
PANDEMIC *And Beyond*

- **Remove the distance in distant learning**
- **Bring students and educators together in safe virtual classrooms**
- **Be present and personal with students and gain the needed attention to foster a sustainable learning experience**

WELCOME TO YOUR VR CLASSROOM

Put on an untethered and lightweight Virtual Reality headset and enter your virtual classroom without leaving home.

WHAT'S THE

DIFFERENCE

Unlike the limitations of Zoom, Google Hangouts and WebEx video conferences, Our Solution puts the teachers back in classrooms where they can engage students more effectively and utilize their surroundings, interactive tools and virtual 3D objects to enhance each students' learning experience from any distance.

BACK 2 SCHOOL

Teach students with true-to-life avatars and collaborate in a 3D classroom — experience distance learning that feels like you are with your students again.

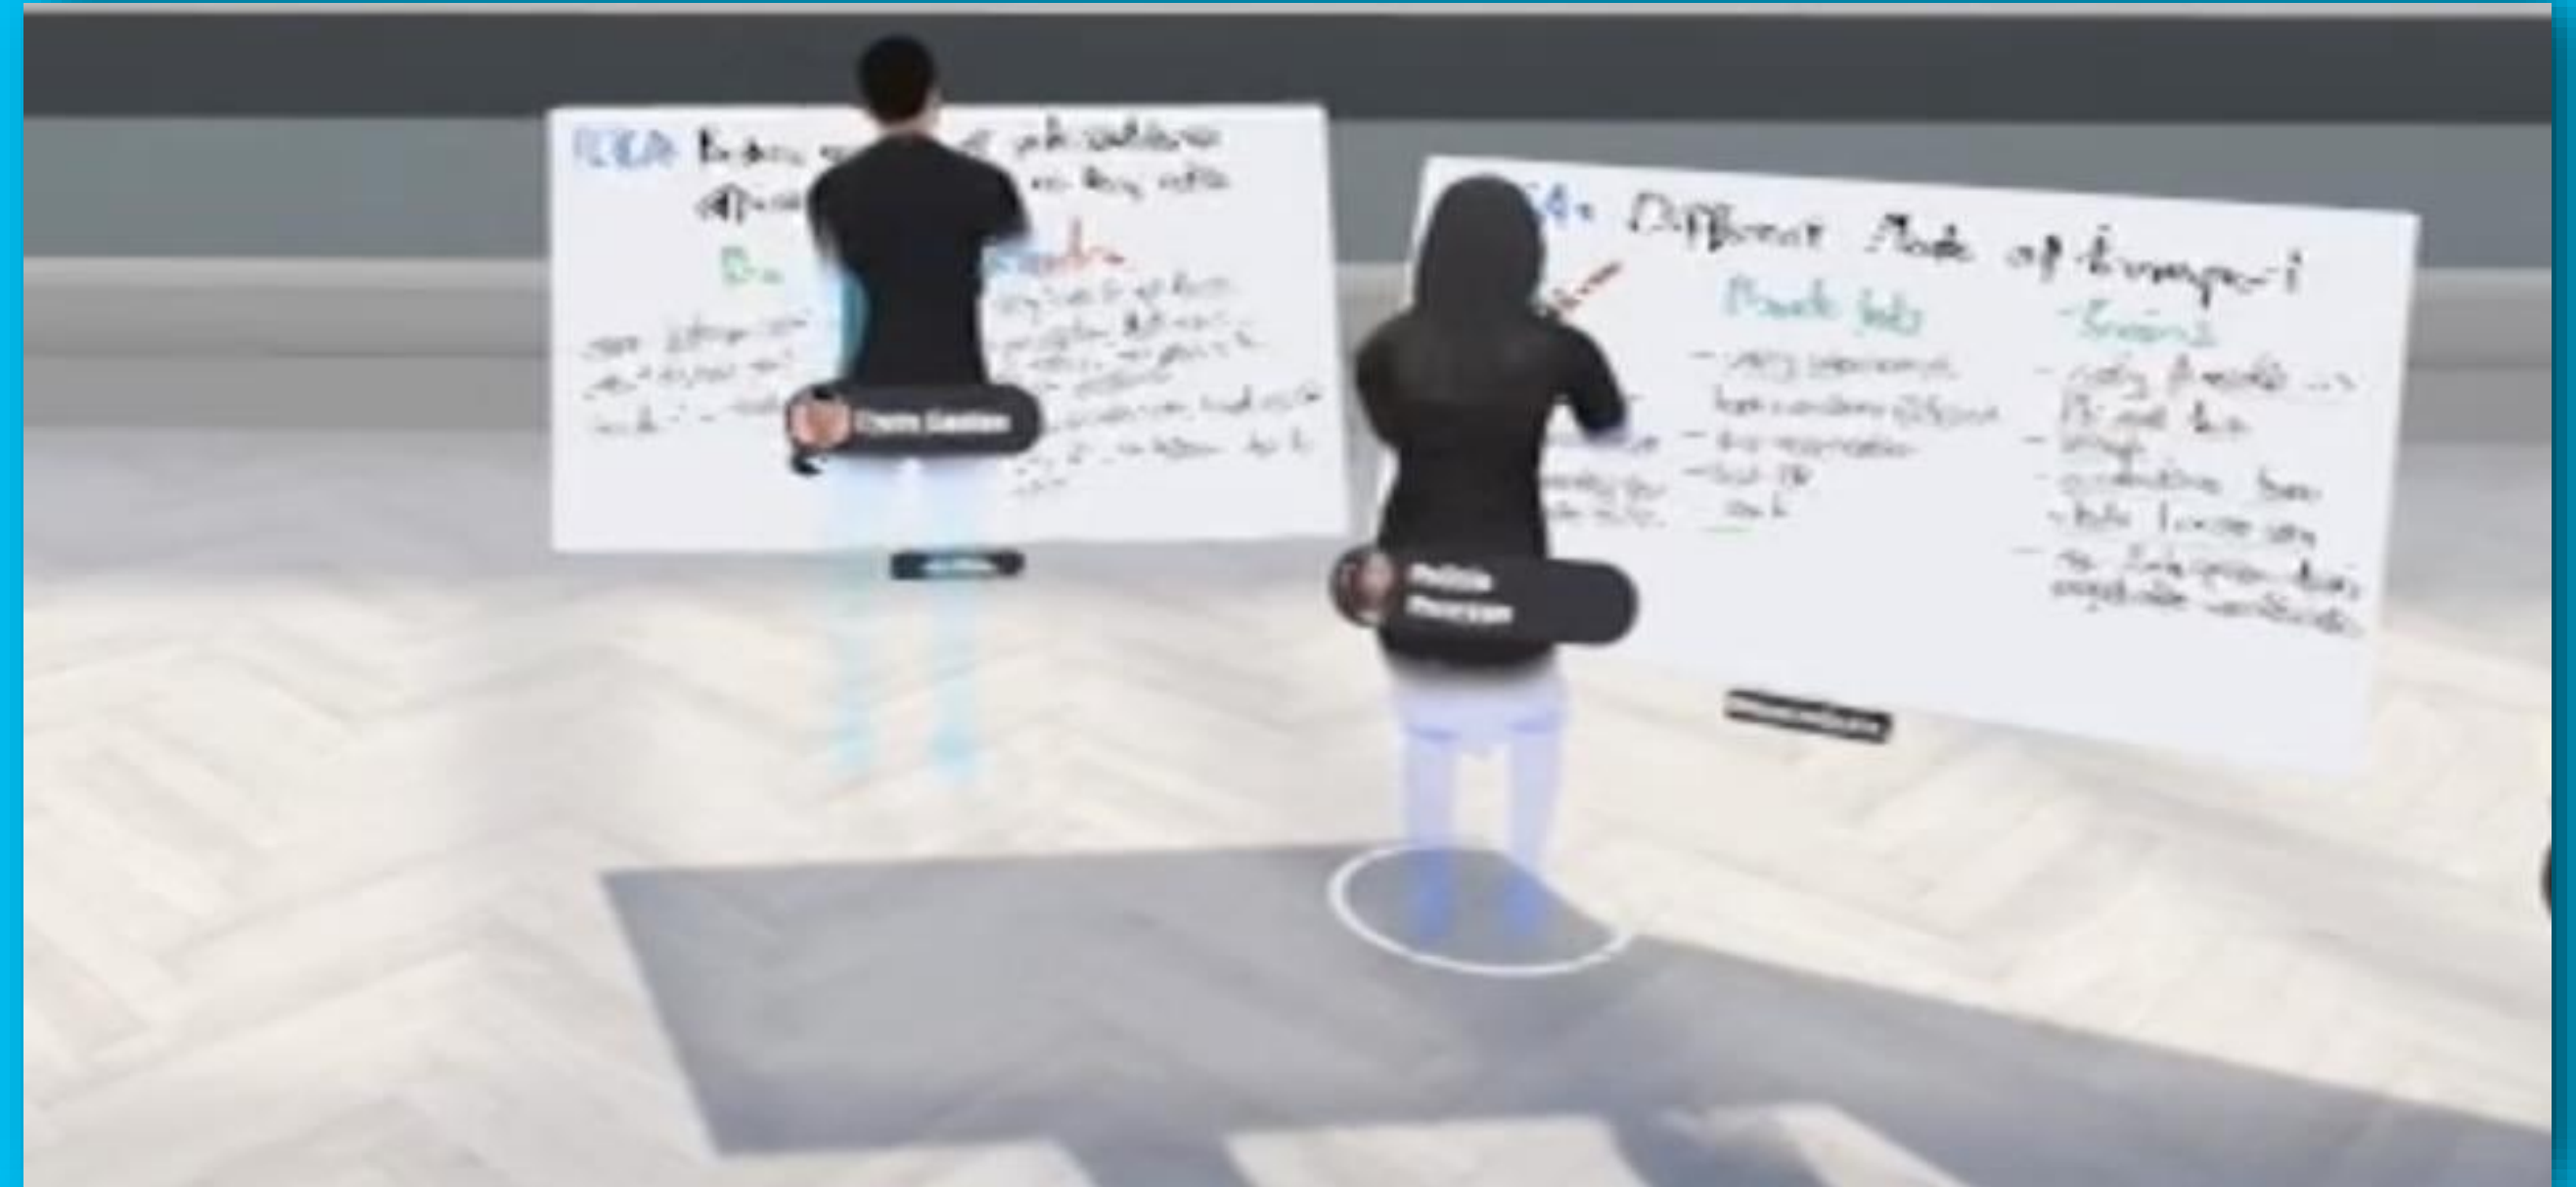

AMAZING BENEFITS

- **Students feel more connected with the learning experience**
- **Multiple classrooms can be utilized to provide segmented teaching**
- **Attention is better focused on learning**

WHITE BOARDS

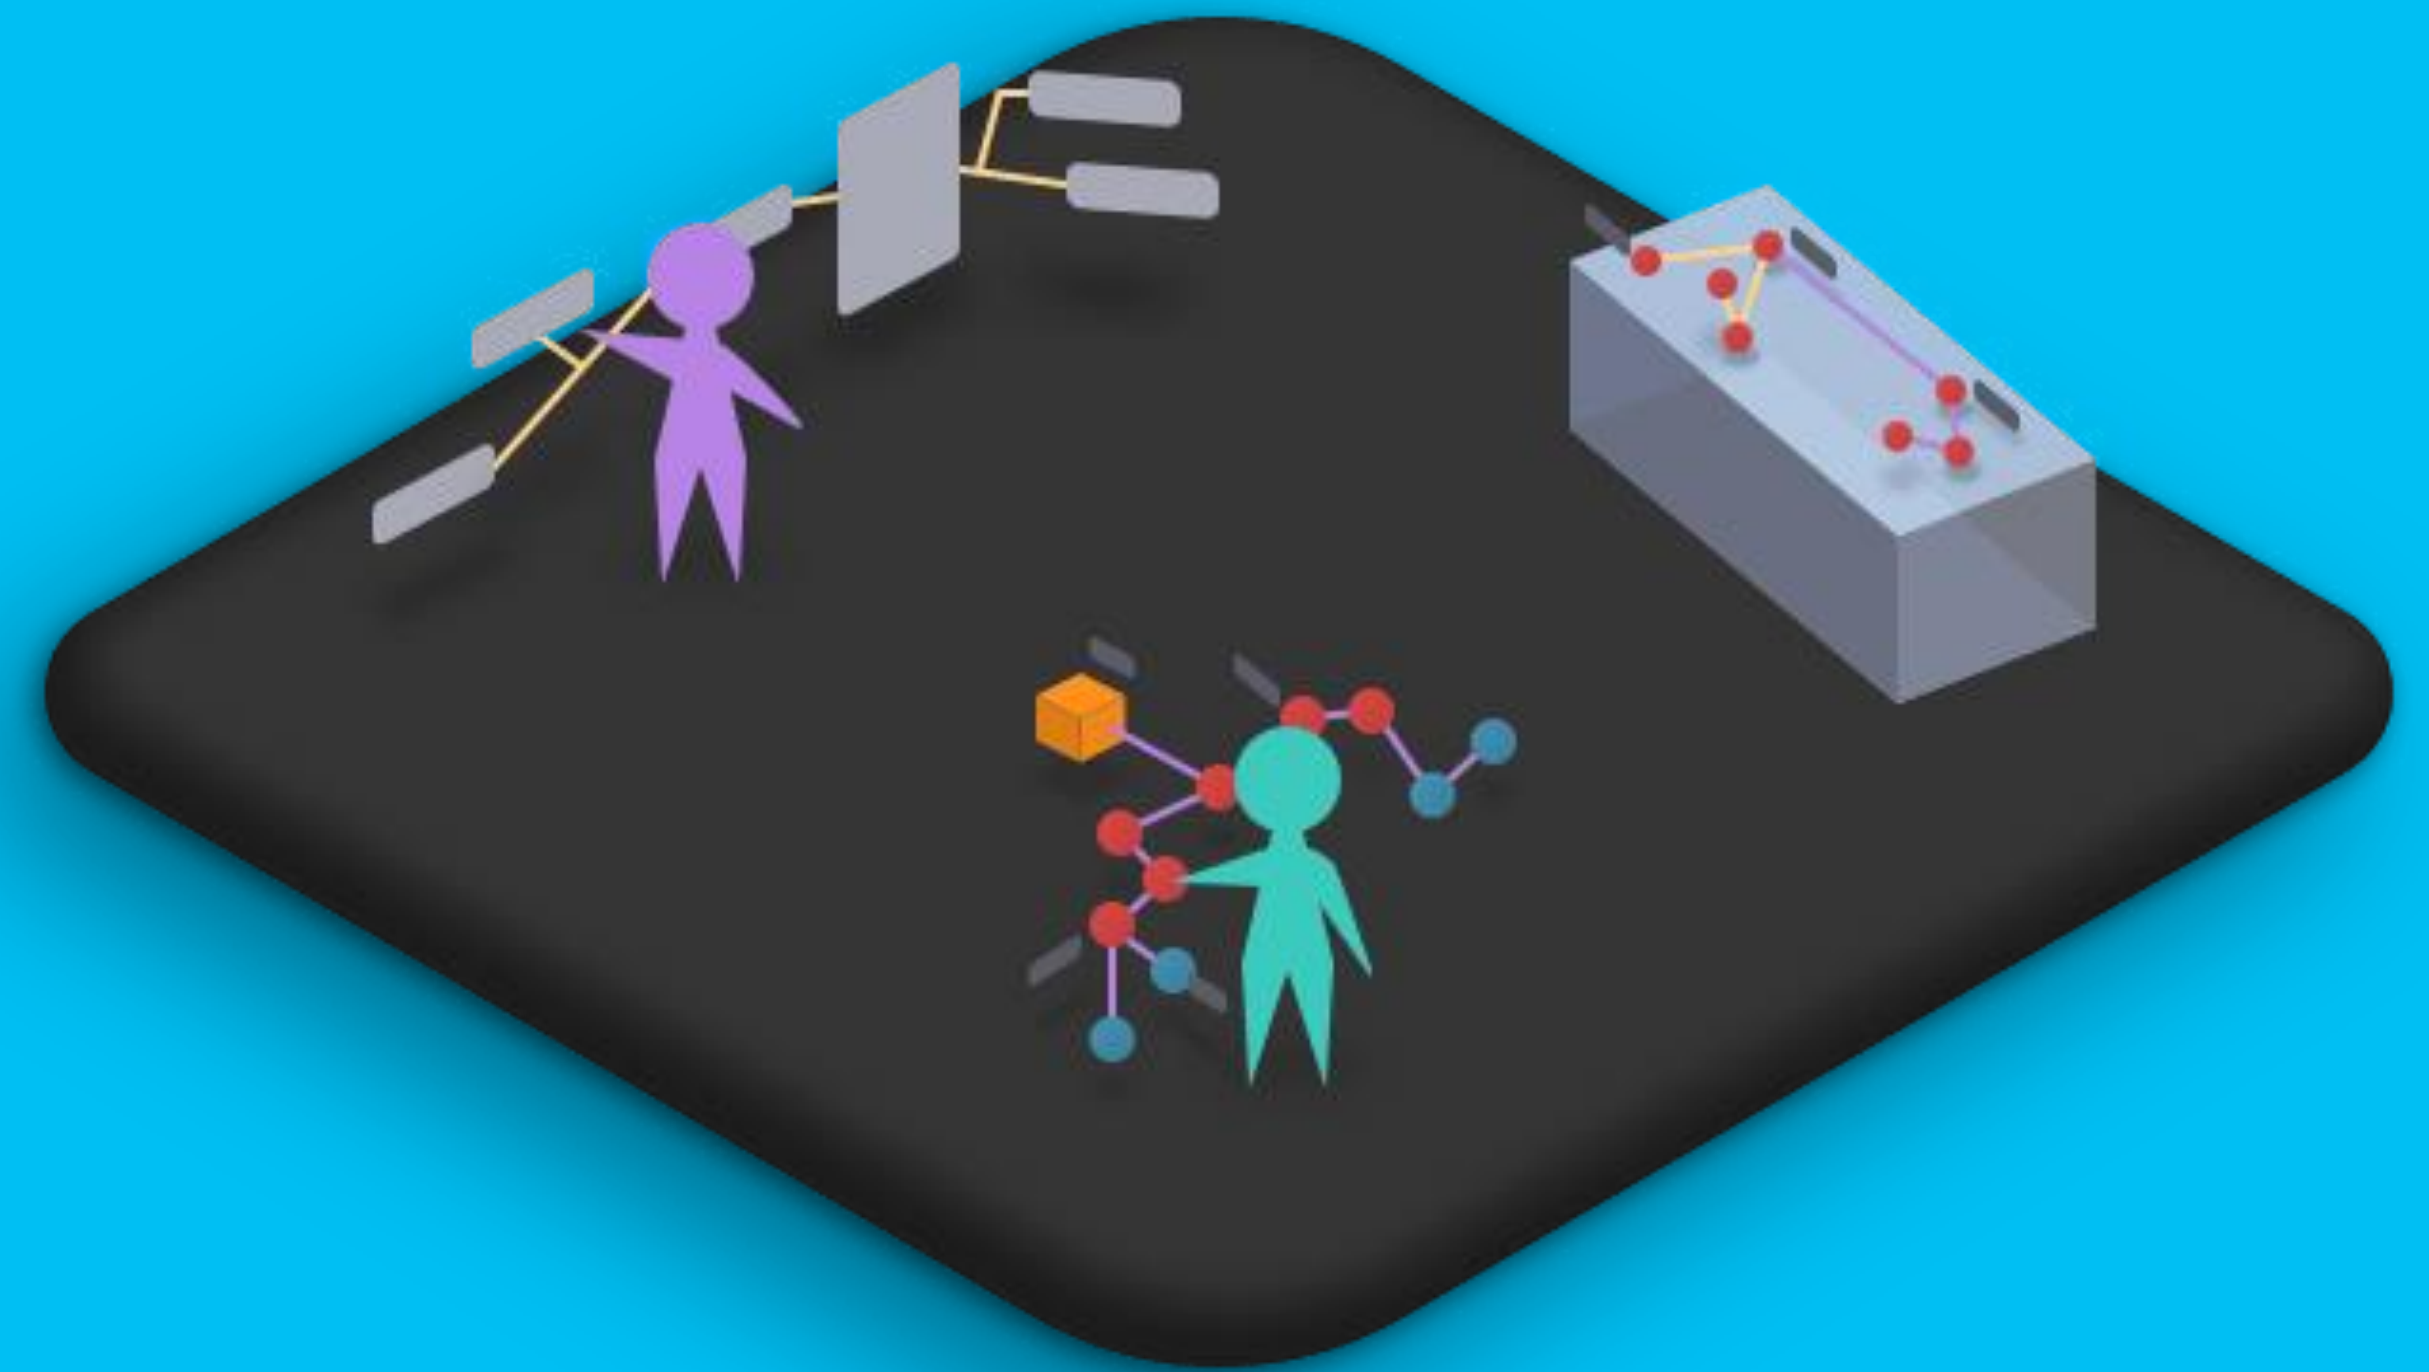

- **Just like the chalkboards in physical classrooms**
- **Teachers and students can draw and write on these whiteboards**
- **Whiteboards can be saved and sent to students or other personnel for later reference**
- **Great ways to collaborate on projects**

VIRTUAL TOOLS

3D OBJECTS

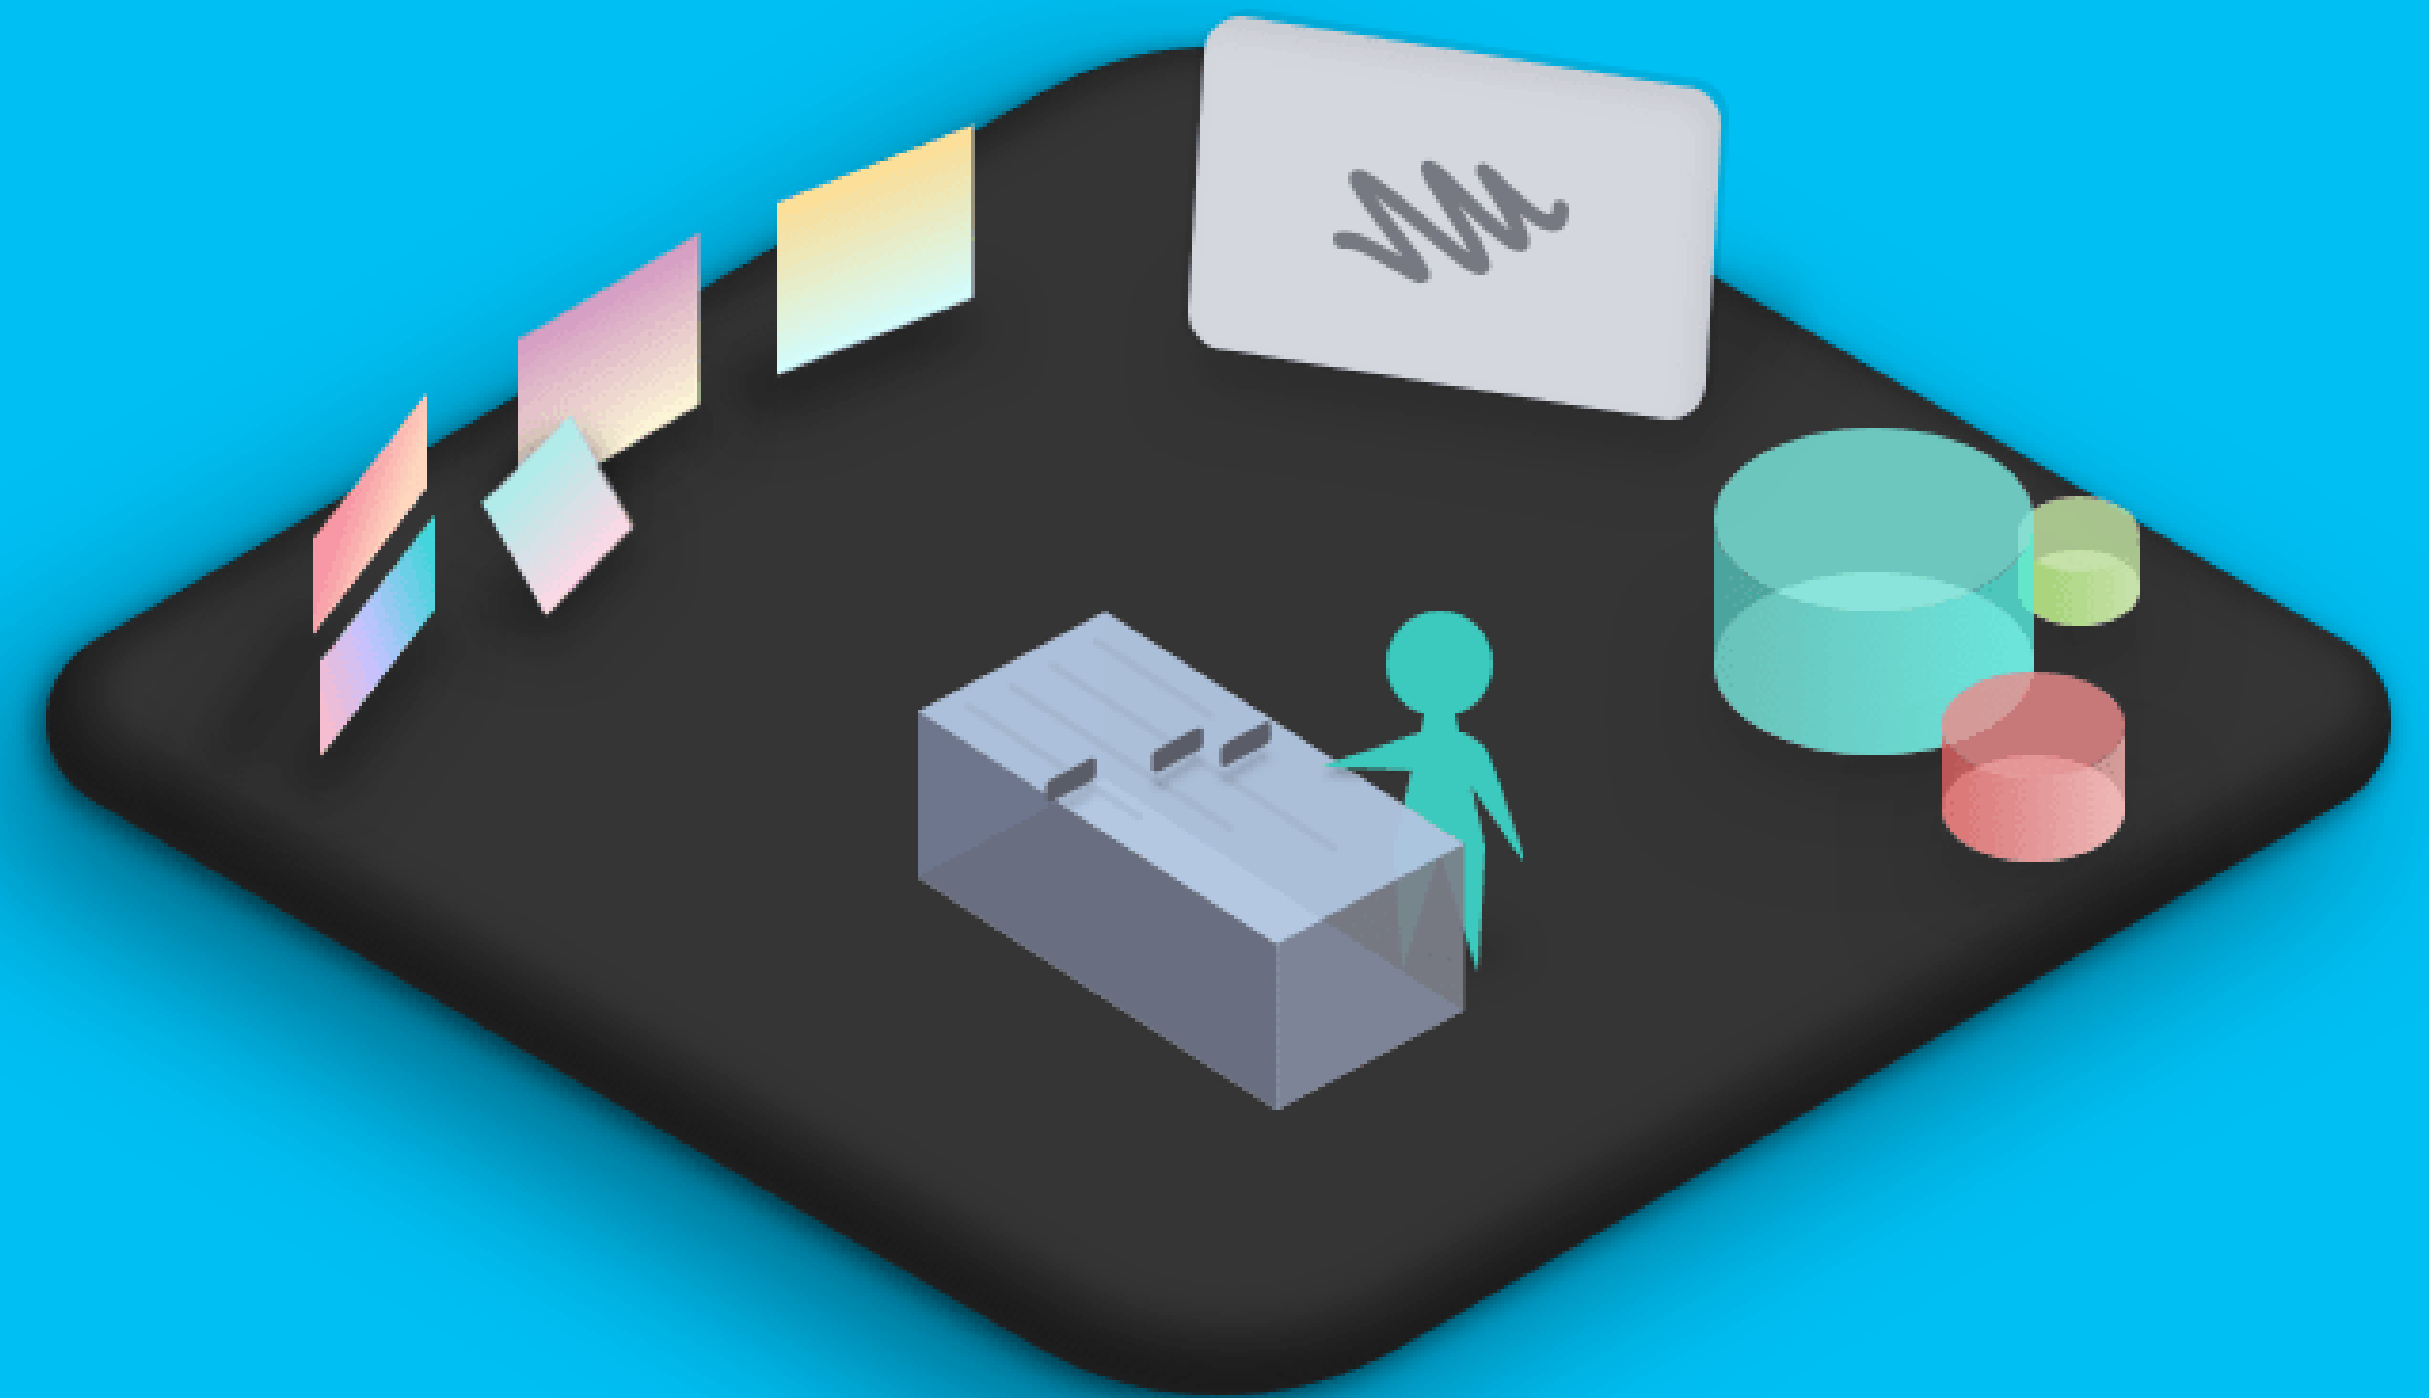

- **Bring any 3D objects into the classroom and give students an interactive learning experience with just about anything**

VIRTUAL TOOLS

ENVIRONMENTS

- **Experiential and Environmental learning through presence**
- **Bring flat textbooks to life by putting the students in the environment of experience they're learning about**
- **By creating a 3D space that resembles a doctor's office, you can teach students from a place of experience within the environment you are teaching them about**
- **Take Virtual Field Trips to anywhere you can imagine at anytime!**

VIRTUAL TOOLS

DOCUMENTS

- Bring in your PDF Documents and PowerPoint Presentations and present your lessons to the entire class
