

# HYDRAULIC SOLUTIONS

## ADAPTERS / COUPLINGS / FITTINGS

Complete line of hydraulic air & water adapters, dry-disconnects, fuel & fire couplings and fittings available.

### CYLINDERS

Our certified technicians will repair and repack your cylinder to custom specifications. Also, we use a Tuxco cylinder bench for hi-torque specifications. We carry a large inventory of cylinder rods and seals.

### SERVICE / REPAIRS

Our certified technicians are able to service and/or repair line trucks, hydraulic lifts, cylinders, valves, pumps, motors, jack hammers, air tools, and hydraulic tools.

Let our 30 years experience work for you!

### HOSES

We specialize in hydraulic and industrial hose assemblies. Fabricated while you wait or on the job site.

### LIGHTING

Variety of lights available for construction, fire, and emergency vehicles. Ask about our remote control spotlights.

### SNOWPLOWING

Pumps repaired. Cylinders, cutting edges, solenoids, valves, and replacement parts are available.

### MOTORS

Whether your motor needs repaired, rebuilt, or just resealed, our technicians are available.

### PTO's

Any brand repaired! New Hydreco PTO's and pumps available.

### TUBE FABRICATION

Our experienced technicians have the capability to accurately bend tubing to OEM specifications.

### PUMPS

We can help whether you are looking to repair or replace your pump or pump accessories.

### OIL

A complete line of filters and hydraulic oil plus accessories are on hand.

### VALVES

A complete stock of fuel, oil, and water valves are available.

### REELS

Air, oil, water, welding, electrical reels are available.
